

Supporting People with Intellectual Disability Experiencing Mental Health Issues/Disorders Workshop

Presented by Community Living Assn. & WWILD-SVP Assn.

Community Living Assn. & WWILD SVP Assn. are offering a training workshop for professionals, support workers and social work/psychology and human services student who wish to improve their understanding of the lived experience of intellectual disabilities and mental health disorders/ issues, and appropriate support of these people experiencing dual disability. It utilises the bio-psycho-social and community-based mental health model to support people experiencing dual disability.

Topics covered include:

- Developing knowledge of the lived experience of Intellectual Impairment/Disability
- Appropriate communication when supporting people with intellectual disabilities
- The experience of mental illness for People with Intellectual Disabilities
- Appropriate community mental health approaches when supporting people with dual disability in terms of prevention, early intervention, crisis response and recovery.

The workshops will be held in Brisbane, Logan and Caboolture on the following dates:

Monday 19th March 2018 – Brisbane

Time: 9am – 3pm

Venue: WWILD – 211 Hudson Rd Woolloowin.
